**The mission of the Regional Food Bank is to alleviate hunger and prevent food waste.**

**We work toward this mission by ensuring that all products available for donation reach the Food Bank and are distributed judiciously to our member agencies.**

# from the directors

Dear Friends,

With your support, the Regional Food Bank was able to provide more than 38 million pounds of food to our member agencies last year, enough for nearly 32 million meals. It is always rewarding to see the generosity from all different segments of the community.

Equally rewarding is the knowledge that the quality of the food we distribute continues to improve, with more meat, fresh fruits and vegetables, and dairy products than ever. I constantly hear from agencies that the fresh produce we provide is highly desired and greatly appreciated by the people they serve, and that they could never serve so many people in need if not for the Food Bank.

We are committed to expand and improve everything we do in 2019. I thank our dedicated staff, Board of Directors, volunteers, food and financial donors, and member agencies for caring so deeply and making an important difference in the lives of thousands of our neighbors in need.

Sincerely,

Mark Quandt  
Executive Director

Dear Friends,

You inspire us.

When life is at its worst, those who support our mission and work are at their very best.

We need you.

From hundreds of member agencies who feed hungry families every day to our incredible volunteers; from individuals and groups who open up their hearts to donate food and funds, to community partners who offer energetic, unconditional support, we are bound together in a remarkable network of kindness and care.

Every moment we are in this work together, we encounter real people who demonstrate courage, hope, love and resilience that are almost beyond words.

We believe in you. Working together, we can accomplish great things – anything!

You inspire us.

We need you.

For all of this, for everything you do, for every dollar, for every hour, for every bag, box, can or carton – we are grateful.

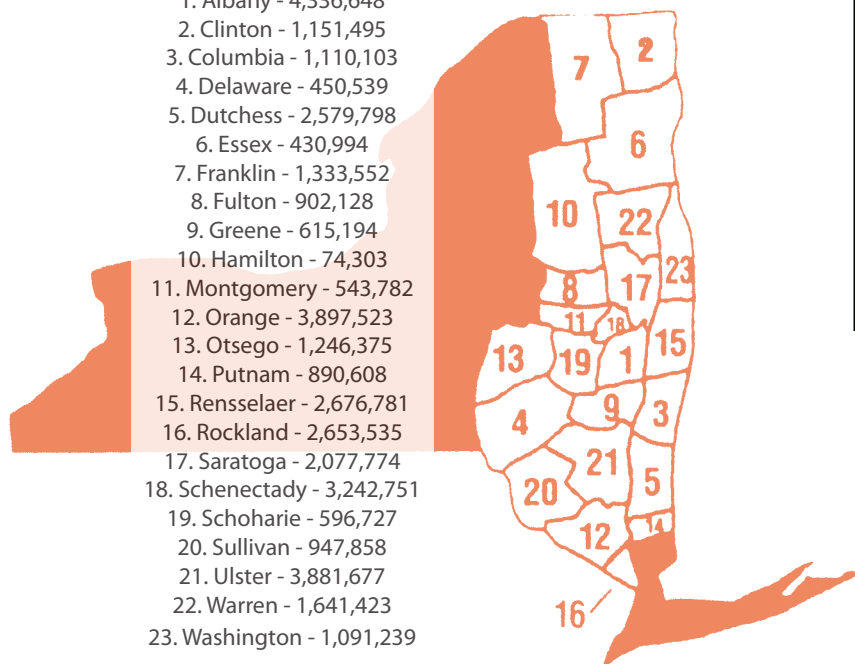

Paul A. Stermer  
Director, Food Bank of the Hudson Valley

## Why I Give...

*Our community supports our farm by purchasing locally grown fruit. Our farm, in turn, supports our community by maintaining a strong working relationship with the Regional Food Bank. It's a very positive and fulfilling feeling to see product that may have gone to waste be put to good use.*

## Why I Give...

*Eating well and healthy is essential to our lives and for most of us it is something we take for granted. When you understand that a sizable portion of the population in our area does not have the means to put food on their table you begin to understand the importance of the Regional Food Bank and the local food pantries. What makes the mission of the Regional Food Bank even more compelling is its ability to take nutritional, perishable food that would otherwise be thrown away and get it to food pantries and those in need. Garbage becomes gold. It's an amazing transformation.*

# time and talent donors

Volunteers play a vital role in the Food Bank's work and allow us to accomplish more than we ever could on our own. We appreciate the gifts each person brings and recognize those individuals and groups that come back time and time again. We are stronger for their many contributions.

## Why I Give...

*I have been organizing members from Ohav Shalom to volunteer at the Regional Food Bank one Sunday per month for the past 15 years. Early on in this adventure someone asked me why I did it. That answer was easy. Whether in Eastern Europe before, during, and/or after the Holocaust or in the tenements in Brooklyn there were times when members of my family knew firsthand what it was like to live with hunger. If I go to sleep hungry it is because I was too tired or too busy to bother with a meal. My commitment to volunteering at the Food Bank is to have a small part in seeing that members of my community do not lack food or basic comfort regardless of their circumstances.*

## Why I Give...

*Knowing that in our small way, we are making a difference in peoples lives who are far less fortunate than we, well, there's not much better in life. We are all here together, and it is our duty to take care of one another. And by the way, if we can have fun and make great friends along the way, all the better!*

*-Kent Sellner, food donor and volunteer*

#### Why I Give...

*Volunteering at the food bank gave me a good purpose and a good direction four years ago when I was in a very difficult spot in life. I didn't know how much I needed to experience it until I was there. I am honored to give back by sharing the experience with others to interest them in volunteering.*

Thank you for providing all the food for my family. Most i love also it is...it helps my family. My favorite food is the fruits.

## thank you

The staff of the Regional Food Bank and Food Bank of the Hudson Valley extend a special thank you to all who helped us in 2018 with food or fund donations, fundraising, volunteer efforts, and in a multitude of other ways. We are grateful for the time, energy, and resources our generous community provided to ensure we were able to help as many people as possible in their times of greatest need.

thANK So Much the Back Pack Program Really helped My family

## how you can help

### donate time and talent

Volunteers are vital to the Food Bank's operation and contribute in countless ways. Sorting food, picking produce at our Farm, or raising money at a fundraising event—there are endless varieties of enjoyable, rewarding tasks that volunteers perform every day.

### make a monetary or in-kind donation

Financial donations sustain the Food Bank and enrich the larger community by providing nourishment, dignity, and a sense of sharing to all involved. Funds come from grants, special events, and contributions, and each donation makes a meaningful difference. In-kind donations come in many forms, from printing to paving and more. These donations allow the Food Bank to provide more food to hungry people.

### donate food

Food donations are at the core of the Food Bank's work. Food companies donate their edible but unsaleable food, and individuals and organizations conduct food drives at all times of the year. Non-food items like paper goods and cleaning supplies are also donated. These products are provided to food pantries, soup kitchens, and other agencies serving people in need.

### spread the word

Did you have a great time volunteering in our warehouse or on the Farm? Spread the word! Let your friends know, and encourage them to volunteer! Find us on Facebook, Twitter, and Instagram to keep up with what's going on at the Food Bank, and share our pages with your friends. With your help, we are alleviating hunger...together.
